Termas de Chillan

Here you will find the new Gran Hotel Termas de Chillan, a five-star hotel in a cozy environment of a Mountain Resort. Inaugurated in June 1997, this exclusive facility complements the existing facilities on offer provided by the former Termas de Chillan, Pirigallo Hotel and the Condominiums.

Yampu will provide a thrilling experience by offering the most alternative activities at the centre – Nordic skiing, randonee, heli-ski, snowmobiles and sledges. The thermal centre has nine blue-water pools which are open all year round. With many beautiful natural attractions the resort also offers our visitors a recreational and relaxing retreat.
