

Skorpios III: The Kaweskar Explorers Route, Tuesday - Friday

The M/V Skorpios III sets sail every Tuesday evening from Puerto Natales and travels around Campos de Hielo Sur to disembark at Puerto Natales on Friday. Puerto Natales is located 247 kms to the north of Punta Arenas, located in Chile's Patagonia region.

Itinerary

Day 1

Tuesday

Check in at the dock begins at 16:00 hours to board your Skorpios III vessel. Welcome reception and departure from Punta Natales at 18:00 hours. The Skorpios will sail through the Patagonia channels, Kirke Narrows, Morla Vicuna, Union, Collingwood, and Sarmiento during our 4 day trip.

Day 2

Wednesday

This morning we arrive at Amalia Glacier enjoying a panoramic view from the ship. We continue towards El Brujo Glacier arriving slightly before noon. When we arrive, weather permitting, we disembark to observe the El Brujo Glacier up close.

This afternoon we will travel to Calvo Fjord where we take an excursion on the Captain Constantino motorboat to visit Fernando, Captain Constantino and Alipio Glaciers. After our excursion we travel to Montanas Fjord

Day 3

Thursday

This morning we visit Montanas Fjord, five glaciers that slide down from the Sarmiento Mountains into the Atlantic Ocean. We also visit Bernal

Glacier where we can participate in soft hikes along the base of the Glacier or visit the Herman Glacier and admire the beauty of the multicolored icebergs.

This afternoon we visit the Alsina and Paredes Glacier before crossing Kirke Narrowness. Tonight we will have a Captain's farewell party with dinner and dancing.

Day 4

Friday

This morning we return to Puerto Natales and disembark the M/V Skorpios by 9:30 AM.
