Itinerary

Day 1

Upon arrival in Mexico City, transfer to your hotel. Afternoon of leisure, or choose from optional excursions.

Day 2

In the morning we depart the city, heading to the breathtaking archeological site of Teotihuacán. By the afternoon, following a tour of the ruins, we return to Mexico City to visit the first quarter—el Zocalo. Mexico City is also known as the Ciudad de los Palacios (City of Palaces). The tour continues in the main square, where we will visit some colonial palaces like the Palacio Nacional, the Metropolitan Cathedral and other beautiful architectural jewels. On we continue to the Paseo de la Reforma to admire its monuments and buildings.

Day 3

Transfer to the airport for your flight to Mérida, the “white city.” Upon arrival, transfer to your hotel.

Day 4

You will enjoy today’s excursion to the wonderful archeological sites of Uxmal and Kabah. Uxmal was probably built around 700 A.D. The rich, green, fertile land provides a perfect setting for some of the most magnificent pyramids, buildings and temples of the ancient Mayan world. You can sense the history here as you walk around and gaze at the stunning architecture and majestic layout of this ancient city. The Piramide del Adivino (the Oracle’s Pyramid) stands majestically above other buildings, and a climb to its summit will reward you with spectacular views of the entire half-square-mile ancient city. Kabah is located south of Uxmal, connecting both archeological sites by a grand 18-kilometer-long pedestrian causeway with monumental arches at each end. Kabah is the second largest ruin of the Puuc region, after Uxmal. The most famous structure at the Kabah ruins is the Palacio de las Mascaras (the Palace of the Masks), its facade decorated with hundreds of stone masks of the long-nosed rain god Chaac. It is also known as the Codz Poop, meaning “Rolled Matting.” The site also has a number of other palaces, low stone buildings, and step-pyramid temples you will be able to discover and enjoy.

Day 5

After breakfast, leave Mérida on your way to the ancient archeological site of Chichen-Itza. The famous Mayan pyramids of Chichen-Itza are more than 1,500 years old. The site is divided into three sections. The north grouping of structures is distinctly Toltec in style. The central group appears to be from the early period. The southern group is known as “The Old Chichen.” You will find a large ball court where Mayan men played a game called pok ta pok. Continue to Cancun for the night.
