

San José, Tortuguero, Arenal and Manuel Antonio

Let Yampu guide you to San José, then continue to Tortuguero National Park for a 3-day visit. Tortuguero (which means Turtle in Spanish) is the most important nesting site in the western half of the Caribbean for the endangered green turtle. From Tortuguero you will travel to the Arenal area to explore the volcanoes and hanging bridges. Afterwards continue to Manuel Antonio National Park where you will experience the pristine white sandy beaches, cliffs, rivers, rainforests and varied wildlife.

This trip can be customized to fit your individual travel dates and any specific requests you may have. Your travel consultant will prepare a customized itinerary for you. We offer a choice of 3, 4, 5-star and deluxe accommodations. Deluxe hotels include the Finca Rosa Blanca in San José and the Gaia Hotel & Reserve in Manuel Antonio.

This tour includes airfare allowance from London (UK), on non-holiday dates. You do not need to fly via London; Yampu will fly you the most direct way to your city of destination. Depending on your travel dates and proximity of travel, we will quote you the most economical surcharge from your city or country of origin.

Itinerary

Day 1

Upon arrival in San José transfer to your hotel.

Day 2

Pick-up at hotel in San José for transfer to Tortuguero. On the way, you can admire the biodiversity of an astonishing protected area in Costa Rica as we drive by Braulio Carrillo National Park—95 percent of which is a primary forest. We will visit a banana processing and packaging plant, and learn more about one of Costa Rica's prime products. We will then board a comfortable boat upon arrival at the port to travel along the Tortuguero Canals. Upon arrival at the lodge, enjoy a refreshing cocktail and a delicious lunch. After lunch, we will visit the museum, the beach area and picturesque little town of Tortuguero. A delightful dinner will be served upon arrival at the lodge.

Day 3

Boat Tour to the small canals for wildlife observation. Tortuguero National Park, with its 21,000 hectares of preserved tropical rain forest, provides the best opportunities to experience a wide range of tropical life. In the evening, walk on the beach and admire the green turtles nesting (July through September). All meals included.

Day 4

Enjoy a scenic boat ride back to the Caño Blanco Port. Take a private transfer to the Arenal Area.

Day 5

Morning Arenal Hanging Bridges: Located within the corridor followed by birds migrating between North and South America, the trails and bridges of this project will bring you as close as you could ever hope to get to the birds, the flowers and the lush vegetation of the primary rain forest. You will be able to walk right into the forest, thanks to the imposing hanging bridges and the beautiful trails that are safe and easy to walk on. In the afternoon return to your hotel to rest. At around 4 p.m., we will pick you up from the hotel for a light hike to watch the activities of the great Arenal Volcano: its constant emissions of gases, vapors of water and explosions of fireworks. We will visit hot springs for a fabulous and healing bath then enjoy a relaxing, included dinner. Hiking boots and light clothing recommended.

Day 6

Today you may choose from a variety of excursions according to your own interests and level of activity (one excursion included in trip cost). You may want to go biking, horse back riding, rafting or do the Arenal Reserve Sky Tram/Sky Trek; or visit the Venado Caverns or the Caño Negro Wildlife Refuge.

Day 7

Transfer to the airport to take the flight to Quepos (operates most months). Upon arrival transfer to your hotel in Manuel Antonio.

Day 8

Visit to Manuel Antonio National Park. The 3000 acres of the Manuel Antonio National Park is considered one of the most beautiful National Parks of the country. With its white sand beaches, the abundant fauna, exuberant flora, and its scenic footpaths, is one of the most visited in the country. It includes a wooded area, densely populated by monkeys and raccoons, and three exceptionally beautiful beaches, is one of the few areas in which rare squirrel monkey can be found. The footpaths happen through the secondary forest and of the primary forest, dominated by you hoist them of cedar, raft and mangle. Overnight in Manuel Antonio.

Day 9

Day at leisure in Manuel Antonio to enjoy the beaches and the quaint town of Manuel Antonio. Overnight in Manuel Antonio.

Day 10

Ground transfer to San José Airport (optional air transfer, please see note below). Upon arrival transfer to international airport for flight back home, or choose from optional add-ons in Costa Rica or other Central American countries.

Optional excursions in Arenal (one included):

Arenal Reserve Sky Tram/Sky Trek:

Placed in a unique transition area between the rain forest and the Monteverde Cloud Forest you will find the Arenal Reserve. You may choose between a ride on the Sky Tram or the Sky Treks, with the most spectacular views of the Arenal Volcano & Lake.

Sky Tram is a 15 minute Arenal tram tour through the rain forest to the Miguel Angel Observatory, where you will have spectacular views of the Arenal Volcano & Lake and the Tilaran Mountain Range. Sky Trek is a 3280-foot long zip line system that gives you the opportunity to enjoy the rain forest and its beautiful views in a fun, easy and safe ride.

Duration: 04 hours

Recommendations: long pants, hiking shoes, camera, binoculars, sun lotion, repellent and raincoat.

Venado Caverns:

The caverns were formed in the Miocene period some fifteen to twenty million years ago. For a long time they were submerged in the depths of the ocean, however, due to the movement of tectonic plates, the caverns rose to form part of the surface. Discover in one visit the limestone rock, stalactites, stalagmites and corals which make up the caves. Located only an hour from La Fortuna, these caverns offer an unforgettable underground mystical adventure. Get ready to get wet and muddy, and to see amazing stalactites, stalagmites, bats and subterranean streams. We will be trekking through some narrow winding passages.

Duration: 7 hours

Recommended: hiking boots, light clothing, and shorts.

Participant Requirements: Good physical condition, not recommended for those with claustrophobia.

Caño Negro Wildlife Refuge:

Great for birdwatchers and nature lovers. This all day trip takes you to the mighty Rio Frio near the Caño Negro Wildlife Refuge. One of our professional bilingual guides will pick you up at your hotel and take you to the small town of Los Chiles near the Nicaraguan border. Here we will begin our three-hour ride up the Rio Frio in search of sloths, caimans, lizards, tropical birds, various species of monkeys and more in the surrounding lush rainforest and wetlands. Learn about the wildlife, vegetation, ecology and culture of this tropical paradise. A typical Costa Rican hot lunch is included in this tour and is served on the tranquil banks of the Rio Frio.

Duration: 8 hours

Recommended: insect repellent, rain gear, binoculars, camera.

Sarapiquí river Rafting, Class II & III. La Virgen & Chilamate Section:

Mountain Biking

This is one of the tours we offer for those who want to go on a bike trip to the area where the forest, the Arenal Volcano and the Lake meet and lead through a beautiful trail. The tour starts from the Arenal Lake Dam, where we take an old trail into the forest. At the end of the trail we will arrive at the entrance of the Arenal Volcano National Park and then get on the way to the Observatory, and back in the main road.

We will have the chance to see many different birds, for example: Squirrel Cuckoos, Keel Billed Toucans Crested Guans, Slaty Tailed Trogons, Black Headed Trogons, Bare Throated Tiger Herons (Laughing Falcons), as well as howler monkeys and raccoons.

Duration: 4 hours

Includes bikes, bilingual guide (English – Spanish), refreshments, water and cookies.

Horseback riding to the La Fortuna waterfall:

This tour offers the perfect combination of beautiful sightseeing and physical activity. We begin with an easy and scenic horseback ride from La Fortuna to the entrance of the waterfall. After viewing the magnificent 40-meter waterfall from a distance, we descend on a challenging hike through the dense rainforest where you will see amazing specimens of flora. The hike will bring us to the base crystal blue pool the waterfall pours into where you will be able to take a wonderful refreshing swim.

Duration: 4 hours

Recommended: insect repellent, rain gear, binoculars, camera, swimsuit and towel.

Participant Requirements: Good physical condition.
