

## Buenos Aires with Fly Fishing at Correntoso

Fly Fishing

This Yampu tour starts with 3 days in the capital city of Buenos Aires, the Paris of the Americas, including a visit to an estancia and a tango dinner show. We then travel to the beautiful Bariloche which welcomes you with its European Alpine splendor before embarking to the inspiring Correntoso Lodge and the Limay River that is described as one of the best rivers of the world for fly fishing.

Our final destination is the Correntoso Lodge, one of the premier hotels of Northern Patagonia. An exceptional option with spectacular scenery for both experienced and beginning fishermen. Its location and history will make you identify with the pioneers of the last century as it was a common point of reunion for the early settlers of Patagonia.

This trip can be customized to fit your individual travel dates and any specific requests you may have. Your travel consultant will prepare a customized itinerary for you. We offer a deluxe option – either the Alvear Palace or Four Seasons in Buenos Aires and choice of Lake View and deluxe Suite Lake View rooms at the Correntoso Lodge.

This tour includes international airfare from London (UK), on non-holiday dates. You do not need to fly via London; Yampu will fly you the most direct way to your city of destination. Depending on your travel dates and proximity of travel, we will quote you the most economical surcharge from your city or country of origin.
