You may also walk from the visitor center to the upper and lower paths, but you cannot walk to Devil's Throat because it is located more than 4 kilometers from the visitor center.

Great Adventure: This tour combines a jungle trip with a boat trip to the falls. Trip starts in the jungle of the National Park in 4 by 4 trucks without roof for best visibility of the trees and to take good photos. Then we take a zodiac boat to the lower Iguazu River upstream to discover the falls little by little with a panoramic view of the Iguazu Falls. Be prepared to get wet under the falls! Afternoon return to your hotel.
