Cuisine at Los Notros

You can think or hear about it in every language, the result will be the same; “gourmet” at Los Notros is always a tribute to the best tastes in a good meal.

An autochthonous cooking in which Patagonian lamb, exquisite trout, the best Argentinean meat or fish that live in the seas that the Pioneers sailed, are mixed with the smoked, the terrines and the homemade pâté, the goat cheeses and the sylvan mushrooms of the Patagonian woods. All this, crowned with the exquisite and tempting desserts as crème brûlée with a pinch of Lavandas or the most convincing, elaborated mix of crafted chocolates and diverse red fruits.

And one pleasant detail: an almost panoramic window allows the view of the hustle in the kitchen where all this dishes are made.
