

## Explora Hotel in Atacama

Explora Hotel pool area

The program is based at the Hotel de Larache, in the oasis of San Pedro. This property puts visitors in the middle of a fantasy where exploration, the leaving and returning, acquires a shape of its own.

Close to San Pedro de Atacama village, the hotel is located in Ayllú (neighborhood) de Larache, on ample terrain of more than 17 hectares (42 acres). The Property grounds, formed by twenty small farming lots, are respected and maintained as a historical testimony by Explora. Accommodations offer all you need for relaxation and the best means for exploring the Atacama lands.

Note: Yampu only offers the Explora Hotel as part of a highlight program.

Most services are included in the Explora en Atacama program including all meals, open bar, outdoor pools and saunas, access to sala de exploradores (explorers' room) equipped with maps and books to better understand the explorations, private stables including nearly twenty-five horses, gaiters and helmets, mountain bikes and helmets, one locker for every room at the entrance of the hotel, internet facilities and a meeting room for 70 persons.

Explora in Atacama has designed 3 different programs: 3-, 4- and 6-nights (Explora offers the 6-night as a special program for Christmas and New Year). Special honeymoon packages are available. Ask your travel consultant for details. Prices applicable through December 31, 2009
